## The-Ology Island Series #1: Trinity Cove

Pastor Ken Sistrunk

Each of the twelve messages will begin with a Captain's Log. This is the basic introduction to the lesson for the day. The lesson continues with Roll Call/Treasure Hunt section. This is the section where you dig into God's word in relation to the topic for the day. Then we will have the Battle with Ism Pirates section where we will use what we learned from God's word to battle heresies. Finally, each lesson will have a Set Course section briefly introducing next week's lesson.
